

# Creatures, Great and Small, Receive Blessings

RUMSON – Pets of all shapes and sizes were welcomed at the annual Blessing of the Animals on Sunday, Oct. 5, at St. George's-by-the-River Church. The church was crowded with animal owners and their many friends to be individually blessed by the clergy of St. George's. The yearly event is held in early October in many churches as a way to commemorate the life of St. Francis of Assisi, the patron saint of animals.
